Dear all at Children's Hospital Pyjamas

Thank you so much for all of the fantastic pyjamas you donated to us.

We have started giving them out to our families and they are so surprised, excited and grateful. It is amazing to be able to give the PJs to so many of the children we are seeing over Christmas.

Each year your drive gets bigger and better! We cannot wait to see what next year brings.

We hope you all have a wonderful Christmas and very happy New Year.

Best Wishes

Children's Hospital at Home Team
